Subject: Corrections for Gold King Mine

Hello all,

All prior pay period corrections **MUST** be attested and submitted no later than **COB** today.

For all employees that worked on the **Gold King Blowout**, your favorites have been added in PPL to allow you to record corrections. The corrected timecard entries due today would cover your response and overtime hours from Wednesday, August 5th through Saturday, August 8th.

If you do not see the favorite for the **Gold King Blowout** in PPL or need assistance in accessing your favorites, please contact Judy Hansen at (303) 312-6417. The appropriate account code favorite for the response is SSID: **A8K9-Gold King Blowout**. Again it's important that these corrections are recorded in PPL **today**.

Thank you
